VISIT LAKESIDE COVES

COMMUNITY TOURS BY APPOINTMENT ONLY

If you would like to visit Lakeside Coves, you must call our office at #877-215-5253 to schedule a tour before you plan your visit. We would love to give you a tour of the community on our Ranger 900 that can go directly down on the lots. We can also show you the amenities, tour any homes for sale and even take you on a boat ride.

Lakeside Coves is a gated community and we do not have staff on-site at the clubhouse. You will not be able to get in if you just arrive without notice, so please make an appointment in advance.

Once you have schedule an appointment, please use the directional information below when visiting our community. We recommend using the printed directions to find our community. Some GPS devices take you a longer or different route than our directions, so please compare the route to our directions when you plug in the address. If you are going to use a GPS, please note that cell service is spotty in that area (Verizon does the best) so if you are using your phone GPS, you may have sporadic service.
